Into the archives again today! In our early match programmes we included interviews with the players - here is Scott's from our first issue back in 2016.

QUICKFIRE INTERVIEW: SCOTT ISAACS

First Team Manager Scott Isaacs is one of the founder members of the Club and has played a pivotal role in all achievements to date. He is also Coach of our Under 7s side. A life-long Man Utd fan and father of 3, we asked him our quickfire questions!

What did you want to be when you were growing up?

He-Man as a young child and then all I wanted to do was play football for Man United.

Who is the best player you've ever played with?

Jason Manley for the Railway Tavern. For Rangers—Mike McCormack.

What was the last album you bought?

Marshall Mathers LP2 by Eminem

Chinese or Indian

Indian

Toy Story 1, 2 or 3

Hard ones this as I love all three, but I think Toy Story 2 edges it!

Ronaldo or Cantona

My childhood hero, 'Eric the King'

Lager or Cider

Cider

Who is your favourite ever England manager?

Terry Venables only because I loved watching Euro 96.

What is your current favourite box set?

Really tough one I like Walking Dead and Game of thrones, probably G.O.T out of the two but hard to choose

What is your favourite goal that you've scored?

My screamer from distance against rivals Thorncombe a few seasons ago, really enjoyed that against the Giant!! Or maybe my 3rd to complete my hat trick in 9 mins from kickoff against Lyme Regis many moons ago

Renewing their sponsorship this season is Ear Wax Removal Solutions of Crewkerne who have an advertising board here at Henhayes. Thank you to Samantha for your continued support!

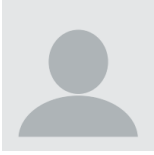

Experiencing hearing loss, earache and blocked ears? It could just be Wax! The loss of hearing has huge implications for social isolation, quality of life and the safety of individuals. However, it is not uncommon for people to wait 5-7 years before seeking help for a hearing loss. By attending regular ear and hearing health check-ups you could prevent a permanent hearing loss. During your appointment your experienced clinician will be able to assess your ears, and if wax is present, gently remove it with micro-suction. Microsuction is the gold standard of wax removal and is much safer than other methods such as irrigation.

Today is the first meeting between the 2 Clubs, with Merriott Moretti being new to the Perry Street League last season. In 2022/23 they finished 5th in a 6 team Division 3. It was a very tight finish, with top of the table Yetminster Reserves tallying up 18 points, only 4 points more than today's visitors.

This season, it has been a good start to life in Division Two for Moretti. They sit bang in the middle of the table in 7th, with 11 points from their opening 8 games. They've picked up 3 wins already this season, against Winsham, Chard United Res and local rivals Merriott Saints on the opening day.

Crewkerne on the other hand have just 1 point from their opening 8 games, although perhaps to be expected when putting a completely new team together just a couple weeks before the start of the season. Martin and Bryant's men have been improving each week in terms of performance, and the new additions coming in are certainly helping. They'll be hoping for most positives to take from this game today as they continue to build.

We extend a warm welcome to the Merriott players and coaches, and to all of you who have come out to watch us today. We hope it is an enjoyable game.

SUPPORTING CREWKERNE RANGERS

IQD began in a small Market Street office trading in quartz crystal components for UK and global electronics manufacturers. Our own team has been growing within the local community for 50 years, and now boasts a talented squad across many disciplines, serving international electronics customers within industrial, aerospace, consumer, financial, broadcasting, satellite communications markets and more.
